If you are a team official with more than one team, you are required to register with each team using the process outlined above. This includes Grassroots officials interchanging between open game day rosters. ****When creating a new login DO NOT use the same password for all teams****

How to Add Players to Roster (U13-U21)

Once you have completed the tasks mentioned above you will then be able to add your players to the roster. This will allow your players names to appear on the game sheets.

- Log in at www.swrsaleague.ca under the Team Management tab
- Go to 'Set Up'
- You can add a single player or import the whole roster by a csv file (find instructions on how to do this are below and in the Help menu)

Roster. Teams that use club rosters can ignore this tool, however for those who manage a team at under 13 or higher this is the tool that you use to enter your roster into the database.

You have two ways of doing this

1. Add them one at a time using the 'Add Single Player' tool or
2. Upload your roster from a .CSV file

Add Single Player. Use this tool to add a player one at a time. Once they have been added they will be displayed in the table at the foot of the page You can edit them if you make an error by clicking the edit link.

Upload your roster from a .CSV file. This section will allow you to upload a CSV (comma-separated values) file of your roster in one process

You will need to either:

1. Use an exported CSV file from your clubs registration system. Ask your club registrar for this file if you don't have it or
2. Create a new CSV file using Excel, Google Docs, Open Office or any other spreadsheet software

This file will contain the following details regarding each player:

First Name (Required)
Family Name (Required)
Date of Birth (Optional)
Registration # (Optional)
Jersey # (Optional)
Email Address (Optional)
Phone Number (Optional)

The first row will need to contain the heading name of the column's data. The column headings do not have to be specifically named as you will map the columns to the data field on the next screen.

- Enter each players first name, last name, DOB (*required by SDSL) , jersey # (*required by SDSL) and Registration (SEOS) # (*required by SDSL). **Please double check that you have all first and last names spelled correctly. And that all info is correct.** This is all information that will transfer to the game sheets.

To call up a player you must first create a call up list for your team.' Retreat Line U13 Age Group

In order to maximize the effectiveness of the development of players in Southwest Soccer, a unique match rule has been implemented at the U13 age group called the Retreat Line Rule. This rule has been established to train young goalkeepers and defenders to restart the game from a goal kick in an optimal manner, without prohibitive pressure from the opposing attacking forwards.

The rule is as follows:

- i. A 'Retreat Line' is drawn 15 metres beyond the top of the penalty area and will either be marked with different colour paint or with cones on either side of the field.
- ii. On goal kicks ONLY, the opposing team must position all the players behind this line.
- iii. The opposition is allowed to cross over this line once the ball has been released from the goalkeeper's foot

Severe Weather Policy

Lightning Safety/ Severe Weather Policy When thunder roars, go indoors!

The safety of players, coaches, management and spectators is the primary concern in any weather event that occurs during all matches sanctioned by Canada Soccer. By understanding and following the below information, the safety of everyone shall be greatly increased.

Ultimately, the referee has the final say over delaying or restarting a match due to weather.

Waiting to stop play or not waiting to start play may result in a serious injury or loss of life.

Referees are expected to act responsibly when dealing with such events during matches they are controlling. If you can hear thunder, you can get hit by lightning. As soon as you hear thunder, quickly get to a safe location. More people are struck before and after a thunderstorm than during one. Stay inside for 30 minutes after the last rumble of thunder.

Heat Advisory

In the event of a heat advisory (as issued by Environment Canada) it is MANDATORY for match officials to provide water breaks as follows:

1. At the midway point of each half
2. Provide a 60 second break
3. Game clock is stopped during mandated water breaks

This is MANDATORY for player safety and cannot be ignored. If a heat advisory has not been issued and team officials are seeking water breaks, the request to the match official should occur prior to the game. These water breaks will be permitted at the discretion of the match official.

The safety of the players, coaches, management and spectators is the primary concern in any weather event that occurs during all matches sanctioned by Southwest Soccer. The Match Official has the final say over delaying or restarting a match due to weather. Waiting to stop play or not waiting to start play may result in a serious injury or loss of life. Match Officials are expected to act responsibly when dealing with such events during matches they are controlling.
